This notebook is soaked in undistilled horny energy.

It smells so sweet..

It can't be helped.. I guess I can have some fun, just this one time..

Sally T. Sawyer

DOB: January 27th

Birthplace: Alabama, USA

Height: 5'3" (160 cm)

Weight: 106 lbs (48 kg)

Blood type: AB+

Ethnicity: White

Favorite color: Purple

Favorite Food: Popeye's chicken

BIOGRAPHY:

To put it bluntly, Sally is a massive geek and weeaboo who loves anime and cartoons; especially lewd ones.

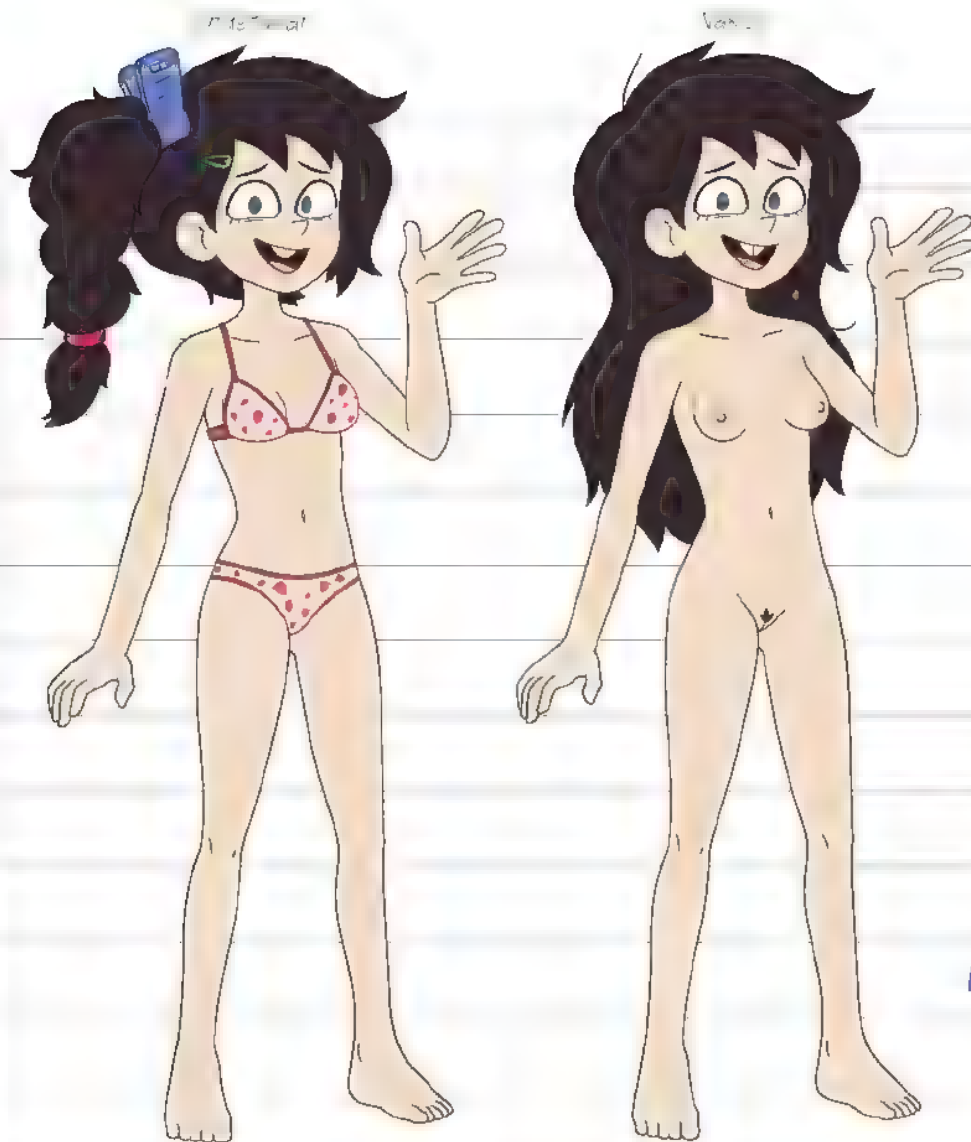

She enjoys writing Fanfics and she especially loves drawing lots of stuff... mostly perverted stuff.

She's very passionate about her art, and she's always trying different styles and techniques. However most people don't seem to appreciate it.

Born deep in Alabama, Sally spent most of her childhood moving from place to place, meaning she didn't make any lasting friendships. She only moved to the City about two years ago; the longest she's ever lived in the same place.

She currently has very few friends "IRL", and she cares deeply about making more. But she's extremely awkward, always talking with no filters about how much she likes hentai and how wet it gets her.

Her desperation to have sex ironically drives away even the most desperate guys at school.

LIKES:

Hentai and cartoon porn
 Drawing porn
 Reading and writing Fanfics
 Being naked
 Flicking the bean
 Old PS2 games
 YouTube Let's Plays and
 Iceberg videos.
 Swimming (her passion
 before discovering porn)
 NASCAR (because
 of her dad)

DISLIKES:

"Normie" porn
 Live-action shows and movies
 Books without pictures
 Being told to shut up
 Being told that Japan
 isn't perfect
 Useless subjects at school
 Teachers (they just don't
 understand her art!)
 M&Ms
 Turtles

SALLY CONCEPT ART PROCESS

YO YO, I'M MISCON. I'M THE CONCEPT ARTIST FOR THESE CHARS.
WHILE A BIG TASK, I JOTTED DOWN MY ENTIRE BREAKDOWN
AND HOW I APPROACH CERTAIN DESIGN ELEMENTS.

UPFRONT, WHENEVER I START DESIGN I TRY TO KEEP IN MIND OF **WHAT**
FOLKS WANT WHILE KEEPING MY OWN FLAIR OR SPIN.

THOUGH IN THIS CASE, I'M BEING ASKED TO DESIGN A MAJOR CHARACTER.

MEANING I HAD TO MAKE A MASCOT CHARACTER THAT WOULD
STAND ON IT'S OWN BUT FOLKS KNOW IT'S FOR THIS ANTHOLOGY COMIC.

THERE WERE OTHER INITIAL SALLY/ETCHY CONCEPTS PROVIDED THAT I DID
MY BEST TO KEEP IN MIND. THIS IS JUST HOW I WENT ABOUT IT.

The base!

I gave a rough
body concept
to go through
several hair
styles!

Wanted to give
her a unique

her to stand

I WANTED TO

AN OUTFIT THAT
NOT ONLY FOLKS
HERE WOULD DIG

DRAWING FOR,
BUT HELP HER

I DID WANT TO LEAN
INTO MAKING A

ETCHY DESIGN CONCEPTS

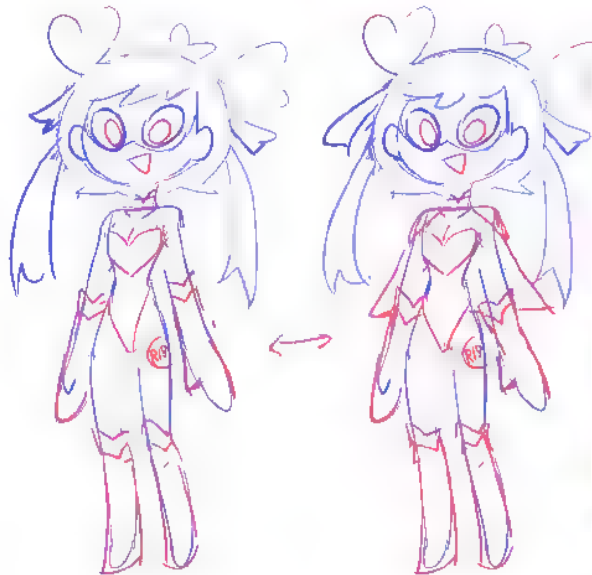

THIS PROCESS IS A BIT SHORTER AND BIT MORE
STREAMLINED SINCE I APPROACHED THIS IF
THIS WAS A DESIGN FOR MAGICAL GIRL ETC.

ONLY DIFFERENCE IS I KEPT MY FUNNY
DESIGN PROCESS OF HOW I WOULD MAKE A HERO
CHARACTER. AT LEAST ONE THAT FITS
IN MY LINEUP OF HERO/VILLAIN CHARACTERS.

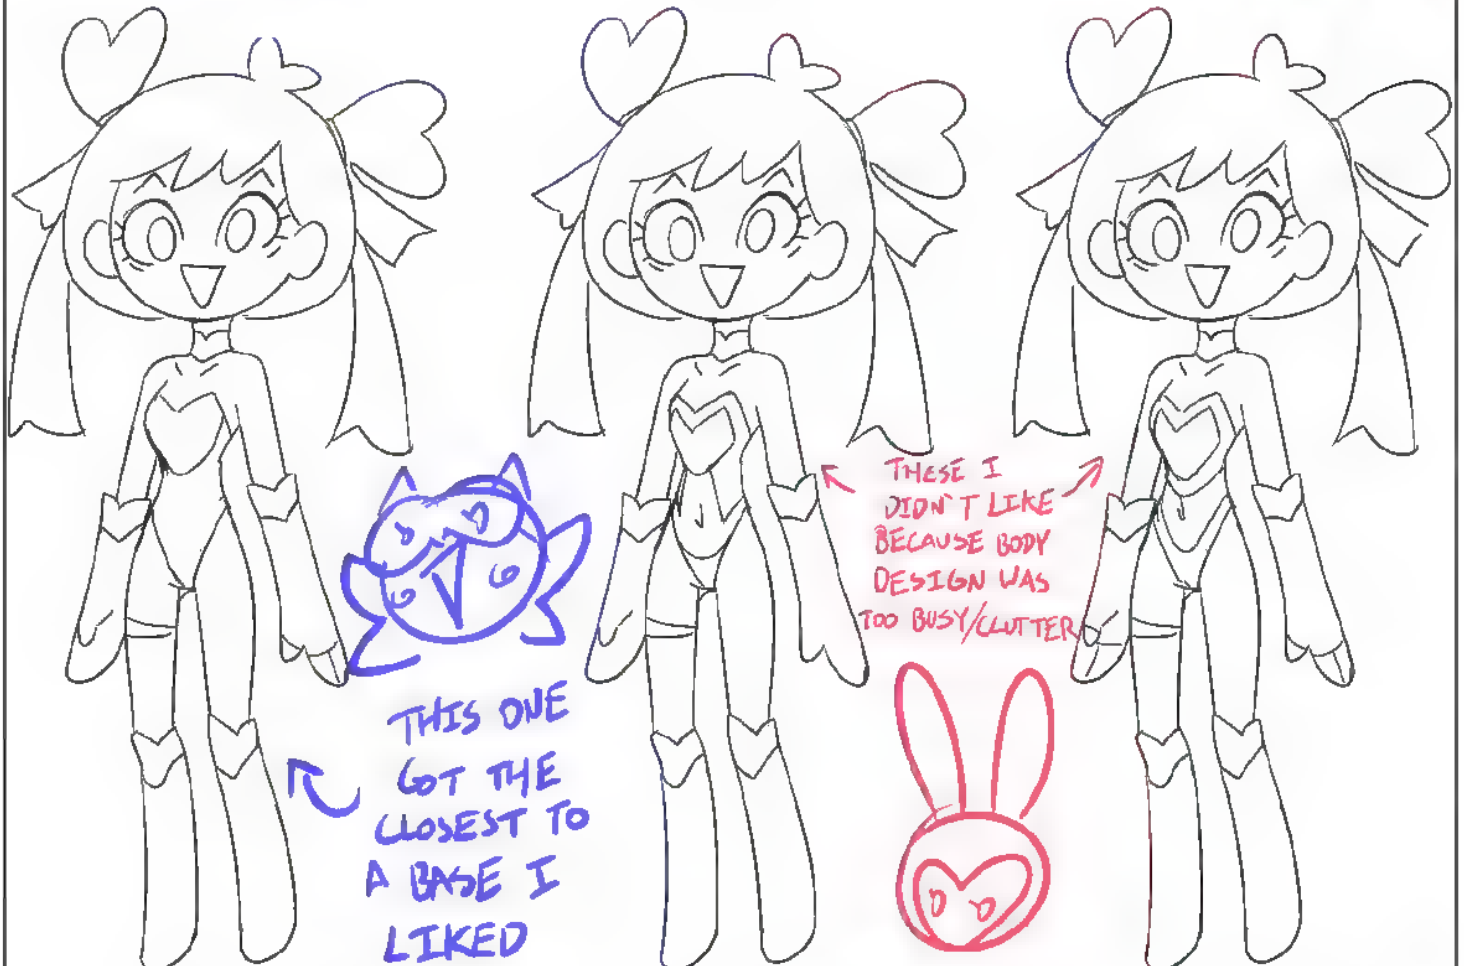

SO I MESSED WITH A DESIGN MOTIF A BIT.

THAT CENTERED AROUND THE
"SKETCHY" AND "STICKERS" BIT.

BY ESTABLISHING A GENERAL OUTFIT
AND THEN MAKING PARTS OF THE OUTFIT
AROUND THAT THEME.

BAM! FINAL DESIGN!

AFTER A WHILE I WAS ABLE TO NAIL A DESIGN THAT NOT ONLY WAS FUN TO LOOK AT BUT CAN FIT THE NSFW ASPECT OF THE ANTHOLOGY COMIC!

OVERALL A LOT OF THE DESIGN CENTERED ON THE RIBBON AND TAPES AROUND ETCHY'S BODY.

ESPECIALLY WITH THE SMALL USE OF STICKERS THAT GOT INTO THE FINAL PART OF ETCHY'S OUTFIT.

A few hours later

Oh...
Let's see
who this is.

Hello Eti

It's me, Mochi
Do you remember me?

We meet once again! ♥

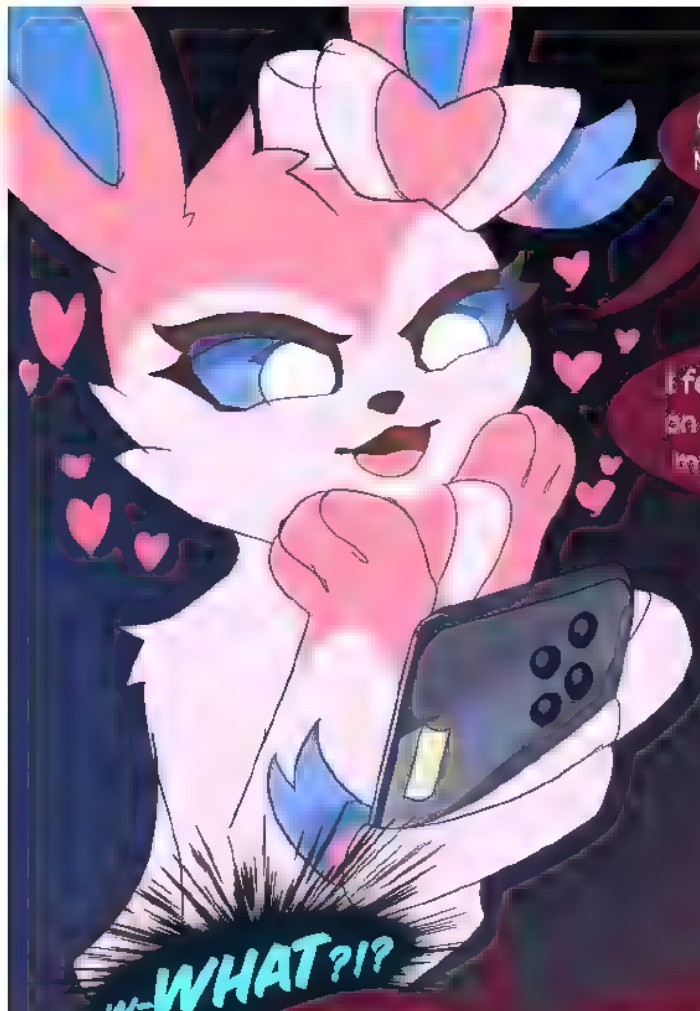

Whoa...
She is so beautiful

I don't remember
her, but that sweet
scent smells
so familiar

Sylveon said that
you are free today.
Please, would you
like to follow me?

O-okay!

Eti is way too docile
for an Eevee

Ohhh, hello hello
Mochi glacey girl!

By Arceus,
YOU'RE SO CUTE!

I felt sorry to see the jealousy
on your face when I took away
my lovely Vee from your back

So is he like,
your boyfriend?

Hahe
No, no
I'm just looking
out for Eti Vee

But I will happily
share him for some
lovely egg breeding.

W-WHAT?!

You're new on
this island, right?

Did you know that
the girls need to bring
eggs to the daycare
monthly?

Or you won't
be allowed to stay
in Miloetta's
little heaven

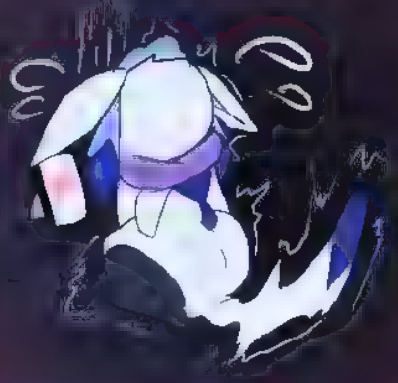

Awww, don't make
such a disappointed face
I'm here to help you!

He will be all yours
for the next 3 days
And I'm not asking for
anything in return!

C'mon girl,
I know you like him!
And I promise:

I d-don't know...

He will fall
in love with you

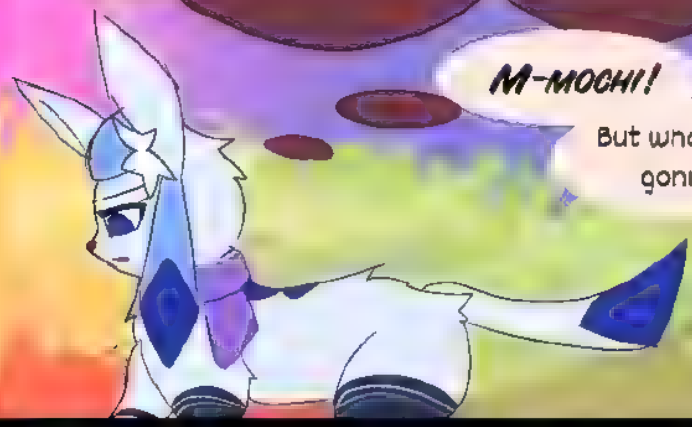

M-MOCHI!

But what are we
gonna do?

Oh, I just wanted to
taste some new sweets.
And sylveon said that
you're a bottomless pit!
...in that regard, at least.

Is that so?..

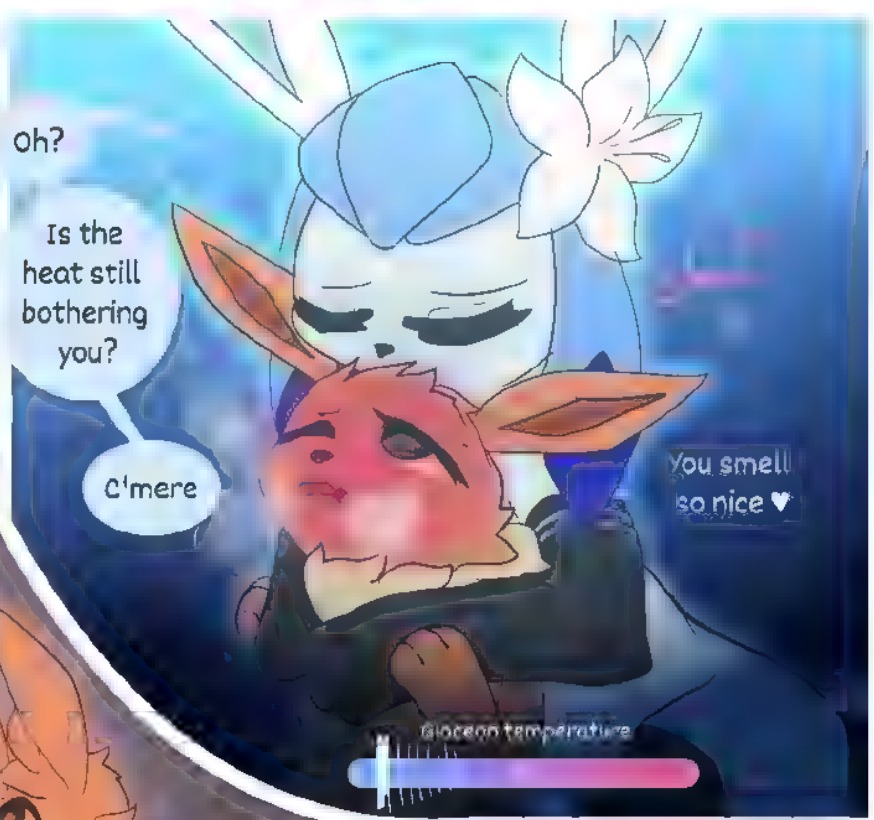

Sorry for the mess

That's my workshop

I honestly don't know what to do. I really like that Vee. But I'm not the one who likes to make the first step.

I keep everything for my little ice cream store here

oh?

Is the heat still bothering you?

C'mere

You smell so nice ♥

Come upstairs, Veevee

It is way better up there!

Hugs are the only way how I can show my affection towards him. Maybe If I hug him often enough, will he understand my true feelings?

Nevermind.
Who even has sex
on their first date?
That's just not my style.

On the previous night...

Nyehe, here is my
trump card.

I'm gonna make use
of this concentrated
aphrodisiac berry.

Minty choco ice cream!
That's so tasty!

It might be a
dirty trick.

But in the end,
it's gonna be his
choice.

To love me...
or not.

I'm glad

Glaceons temperature
becomes unusually high

Her womb becomes a
little incubator for
a batch of offspring
for the next 6 hours

After laying eggs her
unusual heat is
slowly fading away
within a couple of days.

However if glaceon gets
impregnated again
within a short span,
her heat multiplies,
her desire gets unbearable.

It takes some sympathetic
her mother's mother-love inside
her until becomes unbearable.

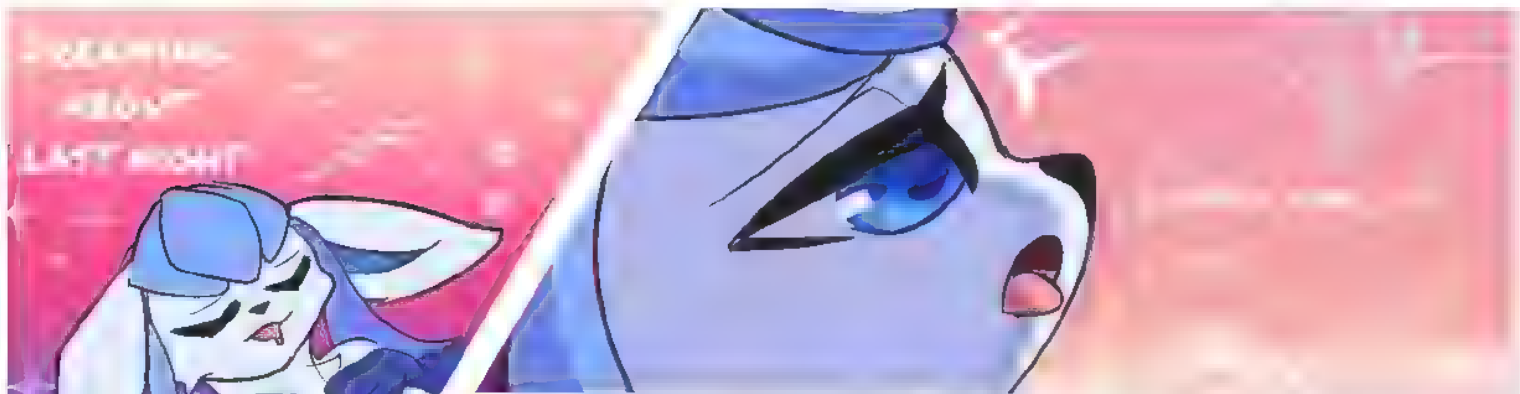

What a night

I've never
slept so well
before

Ah yes...

I still need
to take care
of you

I wonder
if she will
be fine
putting

Oh, and here is your breakfast!

I usually don't make food for anyone else but... I hope you enjoy it!

It looks delicious!

Doesn't your caretaker feed you?

She never prepares anything in the morning
I just sleep lots and do nothing special

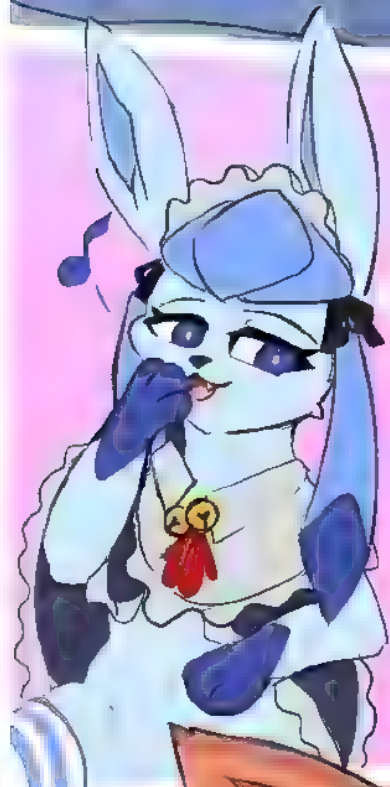

That's so unfair!
Why you live with her on the first place?

She's my friend's friend and only one who I know on this island

Enjoy your 2 oranges.
Try to entertain yourself through the day, ok?

I gotta go!

then maybe...

We will convince her to let you live here?

But.. you don't have an eevee-sized bed for me...

HAHAHA
Silly, I'm your eevee-sized bed!
We'll sleep together!

Then I really want to live with you

Oh, and before we open the shop. Let's see how this pretty dress suits you!

Let's do a little roleplay. I'll be the customer and you try to serve me. Don't forget to smile~

I don't think this fits me...

I-I'll try!

Kinda horny

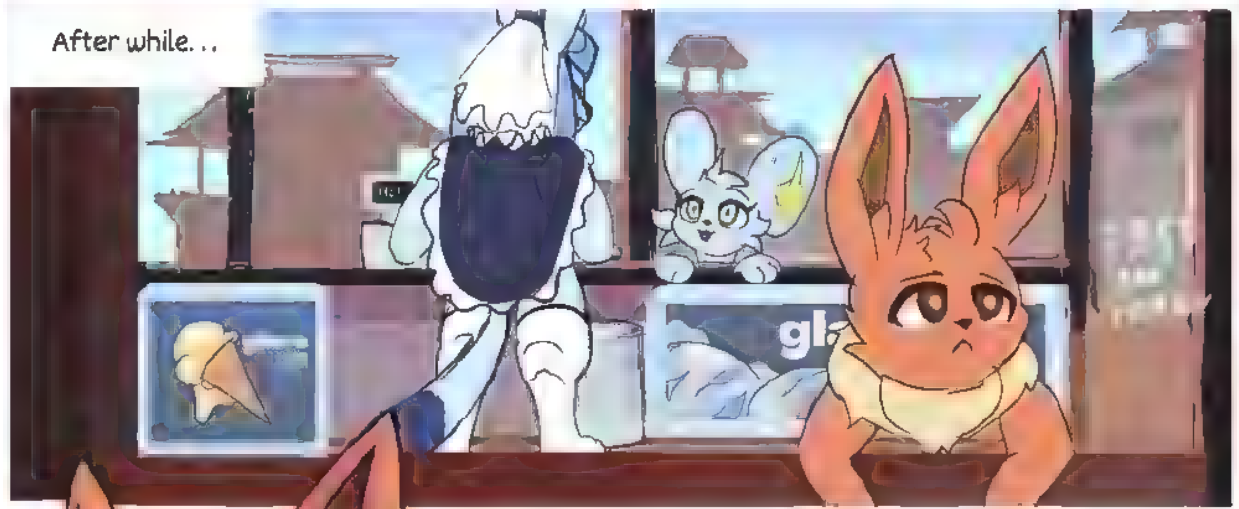

Hello miss, would you like to try our new flavour?

N'awww, you're too adorable for this!

After while...

she keeps
swaying
her butt

Whenever
I look at her,
she raises
her tail

Is she
teasing me?

Her panties are
so tight,
I can almost
see her pussy.

My heart
can't take

should be ready
to breed a pack
of foxes anytime
soon

Eti is not
a tool

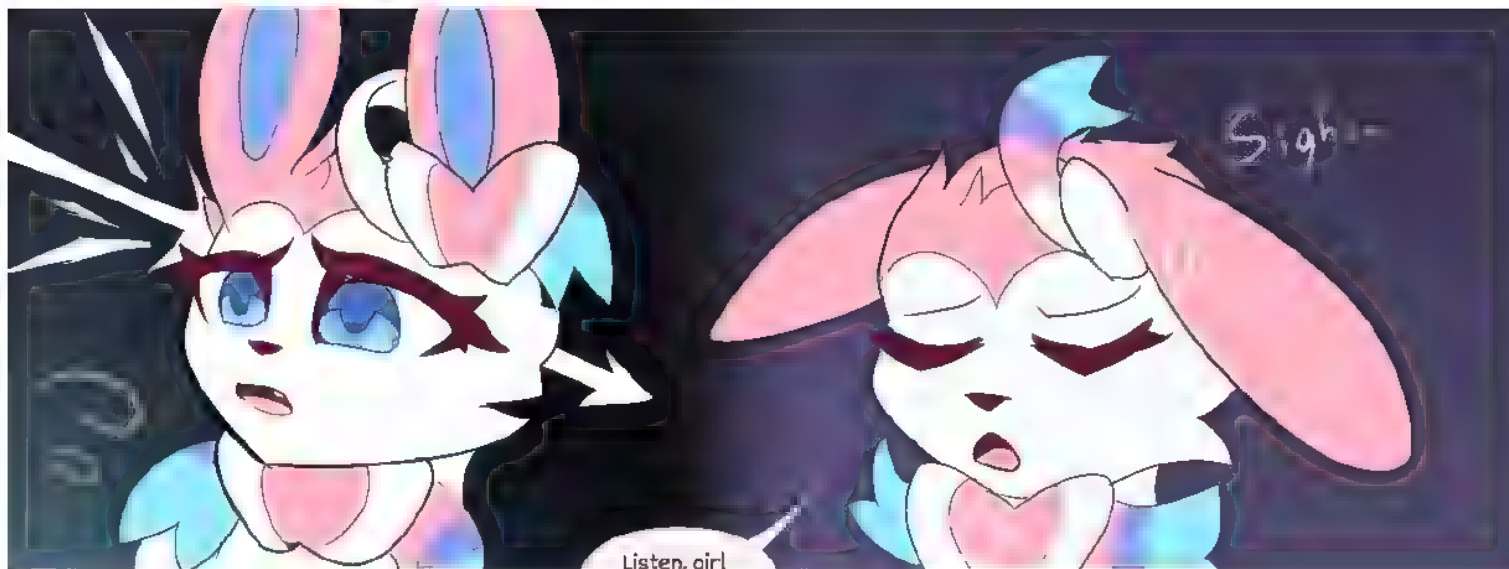

He sure is!
And it's only rational
to let him breed
with others in need...

**I LOVE HIM,
OKAY?**

PLEASE!

**CAN HE HAVE
A BETTER PLACE
TO LIVE?**

Listen, girl

I'm not trying
to be evil here

But he s
very valuable
to me for my
breeding jobs...

with dark types!

Someone who could
take cock nonstop!~

Though if you are
able to lay eggs
like a Lopunny in spring..

That could
be useful!~

That way, any
island caretaker
would let you
keep their breeder

Anyways,
see ya!

I will return
again in the next
morning

And I will
bring Eti back
after third day!~

Please, don't cry!
We still have a chance

All these crazy
things she said is...
tells me how
evil she is

Besides
anything
happen
I will stay
on your side

Thanks
sweet vee...

I just can't
take how
hypocritical
she is!

Guess,
I truly
love you

Though

Though, she did say...
she might let you stay
if we get
even more eggs

Eggs?

Ok, listen

I do think
it's better

But Sylveon
is your rightful

So...

As I see it
The only way
to keep you two
together is...
to use you
as a sort of
a Test subject

I'll try to
convince her and
give her a lot of
good contacts of mine

It's a tough
situation but
I think we can
pull through

BUT

There is no
guarantee,
of course

You're gonna have
to work overtime and
get some extra eggs~

In your current
condition, three eggs
should be possible

I know it feels
draining to go for
another day

So let's get some food
'til your big friend
feels ready, alright?

Oh, and one last thing

Can you drink this potion for me, pretty please?~

Isn't this gonna turn me into a beast and make me faint later?

Nyeh, Trust me you'll be fine~

Im sorry...

You know, that Jolteon is right. Your dick SHOULD be tested in a lab

DRAG

Looking good after 3 days of sex

There is no way you own such a massively productive cock

That means... You're letting me leave with her?

3 conditions:

1. You DO NOT drain your balls inside her and always keep a good load ready
2. You will always listen me and sleep with girls that I arrange you with
3. You won't keep any of your involved eggs, that would be stealing

But why should I please any vixens you order me to? That doesn't sounds right

Because you work for me. You're my little, horny employee!

There are plenty of bored girls on this island thanks to one noisy legendary
